SUPPLIER**

ABOUT US

We A.A. Khambati & Sons are the Central India's leading Hardware Merchant and Industrial Suppliers since 1954 founded by Ali Hussain Abdul Gaffur Khambati And Sons, commonly known as AA Khambati & Sons, we have a rich history that spans four generations. Our enduring legacy is a testament to our commitment to excellence.

Based in the thriving business city of Indore, Madhya Pradesh, we have established ourselves as successful leaders in the supply of a wide range of hardware and industrial products. With a tradition of trust and quality that has stood the test of time, we take great pride in our role as the prime suppliers for numerous major hardware brands with the help of more than 50 employees working in three branches bagging 40-50 Crores turnover in a year.

OUR STRENGTH

In an era marked by the rapid evolution of hardware trading, our commitment to being a trusted stockist sets us apart. We stand ready to provide immediate solutions at any juncture, ensuring uninterrupted access to essential hardware goods.

Furthermore, our dedication extends beyond business. During the challenging times of the COVID-19 pandemic, we proudly served our nation by delivering critical hardware and agricultural supplies to farmers to help the agricultural industries run for the welfare of humankind. This unwavering commitment to our customers and the community exemplifies our core values and distinguishes us as a dependable partner in all circumstances.

OUR CLIENTELE

At AA Khambati & Sons, we are dedicated to serving our customers with the utmost professionalism and reliability, ensuring that their hardware and industrial needs are met with the highest standards of quality and efficiency.

Our extensive supply chain proudly encompasses major industry leaders, including Tata international, Adani Group, Eicher, L&T, Guajrat Ambuja Exports Limited, Jaideep Ispat & Alloy Private Limited, Rajratan Global Industries and many more. We are also associated with supply of goods to URC construction and Dilip Buildcon authorized for Indore Metro projects. We are also proud to be a part of Sinhastha 2016 and Mahakaal Lok Corridor (Ujjain). We maintain strong relationships with these esteemed partners, ensuring that we can consistently meet the diverse needs of our clients.

OUR GOALS

1. 100% Customer Satisfaction through Easy Credit-Based Purchase: Continue to focus on providing an exceptional customer experience with easy credit-based purchasing options.
2. Unwavering Commitment to Quality: Maintain and improve our dedication to quality by consistently delivering products and services that exceed industry standards and customer expectations.
3. Innovation and Product Development: Strive to innovate and expand our product offerings, staying at the forefront of industry trends and technological advancements to better serve our clients.
4. Employee Development and Well-being: Prioritize the growth and well-being of our dedicated team of more than 100 professionals, offering continuous training and personal development opportunities to foster their success and job satisfaction.
5. Market Expansion: Strategically expand our market reach, targeting new regions and demographics, and explore partnerships and opportunities for growth.

OUR VISION

Our visionary future goal is to craft a new horizon in the realm of hardware goods, propelling our journey to become the foremost supplier in India, setting new standards, and redefining excellence in our industry.

1. **Technological Advancement:** Invest in cutting-edge technology to enhance product development, production efficiency, and customer service.
2. **Diversified Product Portfolio:** Broaden our product range to serve a wider customer base and diversify our revenue streams.
3. **Talent Development:** Invest in our employees' skills and well-being to maintain a highly motivated and skilled workforce.
4. **Exceptional Customer Experience:** Continuously improve customer service, ensuring that every interaction with our company is seamless and memorable.
